Note about gas appliances:	Gas ranges are substituted for electric when the whole home gas conversion package is selected. Smooth top ranges are all electric, if electric smooth top ranges are preferred to gas ranges this must be indicated on your order. Built in ovens are only available in electric. We do not offer built in ovens in gas. Homes are shipped with ranges set up for Natural Gas, if your home is being supplied by LP gas, your LP provider should change gas appliance orifices at the time of connection and test for proper function. Orifices are supplied with each appliance. We do not change appliance orifices.
